

Who Wants to Be Among the First to Experience The Bible in a Radically Different Way?

Connect with God and Understand YOUR Role in His Plan with the
“The Bible Experience”

My Gift to YOU This Christmas Season

Dear _____

Now, don't be concerned that you will need to READ the entire New Testament in order to be positioned for this miracle blessing. You do not READ this amazing new version of Scripture, you LISTEN to it!

I have been extremely privileged to be called upon and appointed by Zondervan Publishers, the largest publishers of the Bible in the world, to be the voice of the Holy Spirit in a new multimedia presentation of the Bible called, “The Bible Experience!”

I am joined by over 100 other African-Americans in producing this dramatic re-enactment of the Scriptures in the Bible: Blair Underwood, Angela Bassett, Cuba Gooding Jr., Samuel L. Jackson, Yolanda Adams, LeVar Burton, and Tisha Campbell Martin just to name a few!

While we were in production on this masterful new version of the Bible, I had a private moment with **Levar Burton**... This is what he told me: *“My work on this Bible Experience project is among the most gratifying in my career. I feel so Blessed to be a part of this and share God's Word in a way that will change families.”*

“The Bible Experience” is in today's contemporary language, using the New International Version of the Bible. It comes in an amazing CD set and has just been released by Zondervan.

Many expect it to top the charts and provide an even greater blessing to millions the world over. This is positively an excellent work that will go down in history as one of the most significant advances in communicating the realism of the Bible!

And, because of my role in this project, I have been allowed to reserve a few of the first copies just for people who mean the most to me... and **I have arranged for you to receive this gift from me for this Christmas Season!**

I can promise you that you will not just listen to this dramatic recording of the Word of God...**YOU WILL EXPERIENCE IT AND YOUR LIFE WILL NEVER BE THE SAME!**

This wonderful new spiritual tool will enrich your Life in many ways:

- A radically inspiring presentation of the New Testament in a way that will draw you closer to God and connect you with His Word.
- Have the convenience of being able to listen while on the run and multiple times so you can immerse yourself in God's Word.

- Share it with your family and friends so they can Walk with you. Perhaps some who have never truly connected with God personally will be drawn by this new voice of the Bible.
- Truly, you will be supporting us in our Ministry for 2007 and beyond. This is the YEAR we need to start proclaiming God's Word in new and different ways and touch even more people. The time is now and I need your help!

Whatever you do, do not miss receiving this gift.
